Notice of New Surcharge

Dear Valued Customer,

Due to the current situation in the Black Sea area, the JWLA issued a statement extending the geographical scope of the risk area. Any transit through this sector will be subject to an increased insurance premium. To ensure the continued reliability and quality of our services, Ocean Network Express (ONE) will implement WRC (War Risk Surcharge). This fee specifically offsets ONE's cost exposure from increased War Risk Insurance premiums imposed by vessel owners' insurers, alongside the costs of minor deviations and extra steaming.

The new surcharge will be applicable to all imports and exports from Bulgaria (BG) and Georgia (GE) across all trade lanes and services which will be valid till further notice.

Applicable Charge:

Charge Code	Charge Code Name	Bound	Cur.	Tariffs	Per type
WRC	WAR RISK SURCHARGE	Export	USD	20	Per TEU
WRC	WAR RISK SURCHARGE	Import	USD	55	Per TEU

Effective Date:

Non-FMC regulated trades ** Nov 08th, 2026
FMC regulated trades*, Canada Nov 23th, 2026
(*United States, American Samoa, Puerto Rico, Guam, Saipan, Hawaii)
(**The effective date for shipments to and from Korea is November 14, 2026.)

Surcharges that differ from ONE's published tariff may only be applied where they are formally agreed under a service contract or duly filed with the relevant regulatory authority. Otherwise, charges will be applied in accordance with ONE's published tariff.
